If you think that keeping toddlers in cages and treat them like shit in order to deter refugees you must be a complete moron.

### [What a Pediatrician Saw Inside a Border Patrol Warehouse](#)

One should numerate the detention centers on the US-Mexican border: Abu Trump I, Abu Trump II, Abu Trump III ... And it should be possible to find some of the experienced staff from the good old days in Iraq. No learning curve at all.

### [A World of Cages](#)

During a recent visit to US border facilities, the president of the American Academy of Pediatrics was given three drawings by child immigrants.
