

Craving for popularity

von Michael - Mittwoch, Januar 03, 2018

<https://zettelspiess.de/web/craving-for-popularity/>

[Monetizing human suffering.](#)

These morons do virtually everything to get more attention and publicity on so called social media.(([Some more background](#))) Disgusting. On a second thought: Perhaps this is not so much about that pathetic US-clown that Logan Paul is, but about Youtube and the way it works. Even more concerning, if you ask me.
